Subject: Announced today: Aeroflot to purchase eight Boeing airplanes

Today, Boeing and Aeroflot Russian Airlines announced an order for six Boeing 777-300ERs and two Boeing 777-200ERs. More information on the deal, images and press contacts for both Boeing International and Aeroflot are available on Boeing's website - <http://boeing.mediaroom.com/index.php?s=43&item=1657>.

Last fall, President and CEO of Boeing Commercial Airplanes Jim Albaugh spoke at the 2010 Sochi International Investment Forum on Boeing's presence in Russia. A selection of that speech can be found at <http://www.modernrussia.com/content/boeing-russia-it-future-holds-most-promise-says-albaugh>.

Please let me know if you have any questions.

Best,
Anna
